

"Excellence is never an accident; it is the result of high intention, sincere effort, intelligent direction, skillful execution and the vision to see obstacles as opportunities.

A heart filled with aspirations is all that we knew since the very existence of the school and that's what gave us the ambition of marching forward, till excellence is achieved in all our endeavours.

This report comprises the achievements made during the year gone by and at the same time set the path for greater accomplishments in the years to come.

As a regular practice followed every year, the session began with the 'Havan ceremony' on 12 March 2020 to seek the blessings of the Almighty before commencing the new session 2020 -21.

Due to the pandemic covid-19, this session was undoubtedly a huge challenge for the teachers and students. Yet I feel great pleasure to share that MSS was the first amongst the maximum schools of the district who initiated the online classes through various modes such as zoom ,WhatsApp ,Google meet, Team link etc. Not only this, we were thrilled to get the overwhelming response of the parents for online classes.

Academics

Excellent CBSE class XII result, as always filled us with pride and I feel honored to put forward the result of Class XII here today;

Out of 65 students, 11 students secured above 90% marks. Highest marks in various subjects are

English-99 Accountancy -95 Physics- 90 Chemistry-97 Economics-98 Biology-95
Mathematics-93 Punjabi-94 Phy.Edu- 98 History-91 Pol.Sci-92

Result of class X also made us proud by producing a 100% pass result with the minimum 60% passing percentage.

To ensure the students develop academic skills, our school has taken different initiatives throughout the year.

Awards/ Achievements

To take part is what counts in competition and lessons of victory and defeat are what we get in return. This environment was sufficiently created through Inter School, Inter house and Inter class competition such as debates, quiz, Rangoli ,declamation, poster making, Role play, singing , story telling , poem recitation and sports competitions etc. Our students took part in various inter school and zonal Level Competition and brought laurels to the school.

a) Innovation has been a long - standing spirit at MSS, it provides a favourable environment for the faculty members and students to combine their intellectual potential and professional experience into real life applications with societal impact. The students of Manav Sehyog School participated in **Science Fest** on November 23. Harshdeep Singh and Sameer Mohan from grade X made a model on the topic **Hyperloop** and got third position.

b) On 10 October, 2019, the students participated in a model making competition on "**Telescope**" at Rama Mandi Apeejay College organised by Apeejay institute of Management and secured 3rd position.

c) Our students are participating in **VIDYARTHI VIGYAN MANTHAN (VVM) 2020-21 India's Largest Science Talent Search** for New India using Digital Devices.

‘Being successful is not just a title; it’s a state of mind.’ The students of Manav Sehyog School are blessed who always get the inspiration and guidance from their mentors to take part in all kinds of competitions to explore more and broaden their horizons of knowledge. VVM (VIDYARTHI VIGYAN MANTHAN) is such an important tool to challenge the scientific temperament of students and gives new wings to the young minds to achieve great heights. **Shivi of class 6 participated in VVM and got selected at State level.**

d)A science exhibition is a wonderful tool that engages students in learning new facts. It develops in them the curiosity to learn more. It provides a platform for the students to use their scientific knowledge and bring the best invention from their brains. On 28 Nov ,2020 the students of MSS participated in a Science **Exhibition** organised by Science City and secured 3rd position by preparing and exhibiting a model on "**Preparing Leather From Cactus.**"

e) Hub of learning is a great platform to exchange the ideas ,share the learning and celebrate the victory with other students and schools. The students of Manav Sehyog School participated in **Fancy dress competition under the association of Hub of Learning** and secured 3rd position .

Students Development Plan

Weekly medical check up took place to ensure good health and safety among the students.

The students were given a ‘Safety drill’ of Disaster Management in order to prepare them to cope up with every kind of situation.

To uplift the academic level of the students, special classes were arranged for Intelligent Students.

Remedial classes were given to the students who need individual attention.

The students who will score 100 marks in any subject in board classes will be given cash prizes.

Aiming at universalisation education the school provides financial assistance to needy students.

Sports

A healthy mind resides in a healthy body; MSS has always taken extra steps to make the students believe that.

To fulfill the same aim the students of MSS were engaged in sports activities even during online classes.

‘An Adventure Track’ has been added in the school ground along with myriad sports equipment to engage the students in several fitness activities.

Along with the students MSS equally takes care of its staff, thus under **Fit India Movement**, everyday **Physical Activity** has been initiated in the school . On a regular basis teachers take part in this activity with great enthusiasm.

New Initiatives

MSS released the first edition of School **E Newsletter ‘Manav Darpan’** where the new arrangement and layout of the magazine became the throb of every heart. The editorial board was reframed .

Understanding the need of the hour school has made the investment in purchasing sanitizers, sanitization stands, thermal screening and numerous masks.

Students **Friendly Furniture** along with the mattress and soft toys have been added in Pre Nursery and Nursery classes.

Online PTMs were arranged in which the parents were called in small groups by giving different time slots. It was a great motivation to see the overwhelming response of the parents for all the school programs.

Keeping ourselves up with the pace of the modern world, Complete Digitalization of the school was undertaken through the School App and the school's own web portal which transformed the entire school chores channel through the information Technology , bringing in more transparency and enhanced communication with parents and community.

As the school software has been updated, it has given innumerable advantages to the parents, teachers and school staff. Parents can keep a real time track of the status of their child for daily attendance status, fee status, periodic results, School circulars and news etc through the School App.

Future Outlook

The School has passed the requirement of creating a beautiful garden and a 'Sand Play' area for the Primary and Pre- Primary sections in the open area after visualising its benefits .

In future more land will be purchased to widen the school ground.

The renovation of the Sports ground will take place..

More computers will be purchased to engage the students in practical work on a large scale to cater the needs of growing strength.

Investment will be made on smart flexible furniture for all the classes to cope up with the present situation.

Towards the end, I thank the supportive management whose continuous support to our ideology of education has enabled the school to come this far. Teachers and the entire staff members also deserve applause for their tireless efforts in implementing the route map of imparting quality education here. I also extend my heartfelt thanks to the parents of our students who have shown unflinching faith in us by giving us the profound opportunity to transform their children into truly useful citizens of the future world.

Thank You!!
