SCHOOL'S ANNUAL REPORT (Session 2024–25)

The session 2024–25 has been a year of progressive growth and notable achievements for Manav Sehyog School, Jalandhar. The school continued its commitment to academic excellence, holistic development, institutional strengthening, and active participation in co-curricular and sports activities.

The academic year began with a strong focus on teacher capacity building and enhancement of pedagogical practices. A CBSE One Day Workshop on National Curriculum Framework-Foundational Stage was organized on 26th June, 2024 outlining the latest NCF guidelines, its inclusivity and challenges. Another, One Day CBSE Workshop on Art Integration was organized on 29 June 2024 to promote interdisciplinary and creative teaching methodologies. This was followed by a CBSE One-Day Workshop on Active Learning on 1 July 2024, aimed at strengthening student-centered instructional strategies and competency-based classroom practices. Regular professional development initiatives were conducted throughout the year to equip teachers with updated pedagogical tools, assessment strategies, and effective classroom management techniques, thereby strengthening the overall teaching-learning process.

In the field of academic innovation, the school achieved remarkable success at Techsprint 2.0 Innovation Marathon held at Lovely Professional University, Phagwara, on 19–20 November 2024, where the Science Department secured First Position. Class XI students presented an Automatic House-Waste Segregation Model demonstrating practical application of scientific principles and environmental awareness. Students also participated in the AI-Based Technology Fest organized by CT Institute, Jalandhar, on 21 November 2024, securing First Position in the Speed X-A Gaming Competition and Third Position in the Best Out of Waste category. These achievements reflect the institution's emphasis on innovation, creativity, and technological competence.

The school ensured active participation in interschool platforms to foster leadership, analytical thinking, and communication skills. Nine students represented the institution at the Model United Nations hosted by Apeejay School, Jalandhar, where the school earned distinctions including Best Delegate and Special Mentions in various committees. Students also participated in the MUN Conference organized by Police DAV School, securing Special Mention recognition. Such platforms enhanced students' confidence, research aptitude, and public speaking abilities.

Career guidance remained a significant focus during the session. Structured counselling sessions were organized for Grade XII students to provide clarity regarding higher education opportunities and diverse career pathways. These initiatives enabled students to make informed academic and professional decisions.

Environmental responsibility continued to be an integral part of school activities. Tree plantation drives, cleanliness campaigns, awareness programs on waste segregation, and promotion of sustainable practices within the campus were undertaken to cultivate

environmental consciousness among students. These initiatives instilled values of responsibility, conservation, and civic awareness.

The school's performance in sports during the session 2024–25 was commendable. In the P.S.E.B Zonal Competition held at Innocent Heart School, Jalandhar, from 21–26 August 2024, the Volleyball Boys teams delivered outstanding results. The U-14 Boys secured Third Position, while the U-17 and U-19 Boys teams secured First Position, with multiple students selected for District Level competitions. In Cricket, the U-17 Girls team secured Third Position at Zonal Level and Second Position at District Level, with one student qualifying for the State Level Competition. The Football team actively participated and competed up to the league stage.

During the Kheda Watan Punjab Diyan competitions held from 5–7 September 2024, the school secured Second Positions in Volleyball across U-17 Girls, U-14 Boys, and U-19 Boys categories, with selections for District Level competitions. In Athletics, students achieved First and Second Positions in 100m, 200m, and Shot Put events, qualifying for District Level tournaments. In the P.S.E.B Zonal Volleyball Tournament, the U-17 Girls secured Second Position and the U-19 Girls secured Third Position, with several students advancing to District Level competitions.

The session 2024–25 stands as a testimony to the collective efforts of students, teachers, and management. Through academic innovation, professional development, environmental responsibility, interschool engagement, and sporting excellence, Manav Sehyog School continues to uphold its commitment to nurturing disciplined, competent, and responsible citizens.
